*"I started in 1983, and was one of the 1<sup>st</sup> generation of TPT drivers. In the beginning, it was hard work but I enjoyed. The "LOOK JTB Tour" opened up the opportunity for all Japanese people to come to Hawaii. When I joined TPT, I never imagine that JTB group became so big in Hawaii. I'm so happy to be here with good co-workers and good bosses and I'm really proud of it." -Michael Ikeda, 35 year TPT employee-*

Travel Plaza Transportation was founded in 1979 and has served over **2 million visitors** annually on Oahu and Maui. We are pioneers in our industry, introducing the first propane power vehicles in Maui and our new electric buses on Oahu.
